'60 Citizenship Trophies Go to Calvin and Stern

At Shaker Heights High School's annual Senior Honor Day assembly held Wednesday, June 8, at 9:15 a. m. in the high school stadium, the 1960 Shaker Square Association Citizenship Award Trophies were presented to Kathi Calvin, daughter of Mrs. Glenn Calvin, and Donald Stern, son of Mr. and Mrs. Nelson Stern.

The Citizenship Awards, highest honor a Shaker High student can achieve, are made each year to one senior girl and one senior boy considered by vote of their classmates to excel in responsibility, in character, and in service to the school.

Six seniors were nominated for the Citizenship Awards. The four runners-up received Book Awards given by the alumni association of Connecticut College and Williams College and by the Shaker Heights Dads' Club.

Recipients of the Connecticut College and Williams College Awards were **Lola Ham**, daughter of Dr. and Mrs. Thomas H. Ham, and **Richard Johns**, son of Mr. and Mrs. Richard B. Johns.

Seniors receiving the Dads' Club Awards were **Charlotte Edwards**, daughter of Mr. and Mrs. Frank Edwards, and **Roger Aaron**, son of Mr. and Mrs. Hyman L. Aaron.

Both Kathi Calvin and Don Stern are members of the Advanced Placement English class, Roger Aaron and Dick Johns of Advanced Placement Math, and Char Edwards of Advanced Placement History.

In February, Kathi, Don, Lola, Dick, and Roger were among those seniors awarded gold Scholarship Keys for maintaining a better than B+ average from the ninth through the first semester of the twelfth grade.

Kathi has been a Gristmill Editor in twelfth grade; member of Demerit Panel and Pre-Med Club in eleventh and twelfth grade; Shakerite, Y-Teen, and Drama Production Club in sophomore and junior year; Bridge Club in tenth grade, and Fine Arts Club in senior year.

Don has been Co-Editor-in-Chief of the Gristmill, Vice-President of the Central Committee, and P.A. Announcer in twelfth grade; Shakerite reporter all three years; member of Student Council standing committees in sophomore and junior years; and member of Pre-Med Club in eleventh and twelfth grade.

Lola has been a Gristmill advertising manager in twelfth grade; member of a Student Council standing committee in junior and senior year; Class Secretary in tenth and eleventh grade; and member of Y-Teen, Girls' Leaders, and Swimming Leaders all three years.

Dick has been Class President in twelfth grade, member of Hi-Y all three years and Student Council in junior year; member of the varsity baseball team in tenth and eleventh grade, and member of the JV basketball team in sophomore year.

Char has been a Cheerleader all three years and Captain in senior year; member of Girls' Leaders, Shares, and Boosters all three years; member of Social Council in sophomore year and a Student Council standing committee in junior year, Shaker Pepper all three years and head in senior year; and member of Y-Teen in tenth and eleventh grade.

Roger has been member of Social Council all three years and President in senior year; Class Vice-President in junior year; member of the varsity baseball and varsity track teams all three years; Honor Study Hall adviser and proctor in junior and senior year; and member of Junior Council on World Affairs in eleventh grade.

Rabbi Abba Hillel Silver, spiritual leader of the Temple, will be the speaker at Graduation ceremonies.

503 Seniors Receive Diplomas At Severance Hall, June 17

By Marilyn Gannon

Caps and gowns will be donned by Shaker High school seniors at 7:30 p. m. on Friday, June 17, at Severance Hall. Dr. Abba Hillel Silver of The Temple will deliver the commencement address to this year's graduates.

This year 503 seniors will receive diplomas at the commencement ceremonies and Superintendent William Slade will be presiding. The invocation will be presented by Dr. Russell H. Bishop of the First Baptist Church. Dick Johns, senior class president, will introduce Dr. Silver. When Dr.

Silver has completed his speech the A Cappella Choir under the direction of Mr. Raymond Ellis will sing "Master of Human Destiny" by C. J. Hillman and "Thy Will Be Done" by Anton Bruckner.

Mr. Russell Rupp will present the class and the two senior counselors, Miss Gladys Burgess and Mr. Alan Segrist, will read the names of the students receiving diplomas. The President and Vice-President of the Shaker Heights Board of Education, Mr. Lawrence T. Mayher and Mr. William S. Burton, will distribute the diplomas.

There are no special awards given and no individual is singled out for recognition on commencement night. Each senior is given three tickets for the ceremonies. There is a limited number of extra tickets which are available only to the members of the senior class.

Some members of the junior class will be selected by their counselors to help distribute the caps and gowns. The girls' gowns are white and the boys' gowns are navy blue. Four junior boys, Ken Korach, Ken Hegyes, Gary Rusk, and Bruce Weiner, have been chosen as ushers.

Senior Prom Sets Summertime Mood As Celebrating Graduates Dance

The countdown is on! And although the sophomores and juniors eagerly await the close of school and the beginning of summer school, the seniors are by far the most excited Shakerites of all, for June 15 marks the end of three years of hard work.

But June 15 is significant for another reason, too. It is the date of the Senior Prom, one of the most important social events at Shaker Heights High School. The crowning of the Senior Prom Queen, the wearing of formal attire, and the professional catering and decorating make the event one of excitement and elegance.

Because of the size of the Senior Class and the success of last year's Senior Prom, Byron Junior High will again be the site of the prom.

Hall Lynn's band will play for the dancing in the gym and Sherwin's will cater the affair. If the weather permits, the dancing will be held in the court.

An important part of the prom is the receiving line, to be headed by Dick Johns, president of the Senior Class, who will introduce the guests to the other members of the line, including Mr. and Mrs. William Slade, Mr. and Mrs. Russell Rupp, Mr. and Mrs. Louis Sturm, Mr. and Mrs. Alan Segrist, and Miss Gladys Burgess.

The Senior Prom will begin at

nine o'clock and will last until one. But most students will have begun the activities long before nine, and few will give in and go home before the next morning, for several large, well advertised post-prom parties have been planned.

Members of the Senior Class are not charged for the tickets to the dance, but guests from other classes or other schools must have a \$3.50 ticket.

Decorations for the Senior Prom, as well as the theme itself, will be kept a secret until the eventful night. And there is only one week left!

14 Teachers Say Farewell To Shaker's Hallowed Halls

New York, the Riviera. Such places may be the bases of operation for the eleven teachers who are leaving the High School at the end of this year.

Wedding bells are calling Miss Rose Bannaian, staff assistant, who will become Mrs. George Mekonian. Following her marriage, Miss Bannaian will live in New York and will become a dean at Mamaroneck Senior High School in Westchester County.

Among those who are retiring are Miss Grace Graham of the English department and Mrs. Eva Mae Barrow of the French department. Mrs. Barrow's students recall her dream of going to the Riviera.

Back to college will be the call for Miss Yvonne Ellwitz (physical education), Thomas Hardesty (social studies), Jack Pickering (English), and Luis Fumero (Spanish). Mr. Pickering, who received a John Hay Fellowship, will take a one year leave of absence to study at Columbia University. In addition to attending Western Reserve University, Miss Ellwitz will be assistant director of the Shaker Heights Recreation Department. She also hopes to do some creative writing.

Mr. Burton Dow of the Social Studies department will be a college teacher next year. Another member of the Social Studies department, Miss Marjorie Tanger, is uncertain of her plans.

Motherhood has already called two teachers away from Shaker this spring. Both Mrs. Catherine

Majdiak (French and English) and Mrs. Marion Pehrson (Guidance) are ladies-in-waiting. Mrs. Wilma Anderson has been teaching Mrs. Majdiak's classes.

Students Stomp Under Starlight

Ahoy mates! The Student Council will launch its annual S. H. H. S. Starlight Stomp from the senior parking lot on June 11. Launching time for the affair will be at 8:30 p. m.

The Starlight Stomp, the last all-school affair of the year, will have the theme "Nautical But Nice." The parking lot will be made to look like the decks of a ship.

Jesse Evans, a newcomer to Shaker's bandstand, will play at this dance. Most of the members of Mr. Evans' orchestra are school teachers.

Entertainment on board the ship will be provided by a barbershop quartet, under the direction of Bill McGeorge, and by Larry Kritzer's band.

Dress for the evening will be dresses and heels for the girls and coats and ties for the boys. And YES boys, you may wear Bermuda shorts.

Bill Boukalik Says 'Auf Wiedersehn' to U.S.A. As He Departs on A.F.S. Journey to Austria

At this very moment in Montreal, Bill Boukalik is boarding the H. M. S. Seven Seas, the ship which will take him across the Atlantic to Europe. There he plans to spend the summer in Austria.

Bill is making the trip which lasts from June 9th to August 25th through the American Field Service. He will stay on a farm about 100 miles south of Vienna near the village of Tamach. The village is very close to the Italian and Yugoslavian borders.

The family with which Bill is going to live has four children, two girls, 17 and 18, and two boys, 10 and 20. The younger daughter has been studying in English since fall, and she knows how to speak English. Bill has been receiving tutoring in German which is the spoken language in Austria. He hopes to be able to converse fluently in it by the time he returns.

Another one of his objectives is that of making a good impres-

sion. He has been studying the political situation in general and

Bill Boukalik attempts to absorb several years of German in a short period of time to prepare for his summer trip to Austria.

American internal affairs in particular so that he will be able to answer satisfactorily any questions his hosts may have. He has especially reviewed the Negro question, labor problems, and the history of the American Indian.

Bill has received a letter from the Austrian family with pictures of the farm and the surrounding mountains. He will probably work on the farm. The head of Bill's temporary household is the manager of this farm or estate on which several families live and work.

TRAGEDY ON THE HIGH SEAS—A CLEAN JOKE

A few weeks ago, during Shares' practice, a tense human drama unfolded as a member of the swimming team and a member of the aforementioned mermaids shared one last embrace before heading to that Big Puddle in the Great Beyond. Here is the story as pieced together by your faithful correspondent, Stanley Ornstein, who chanced to witness the event while engaged in an arduous session of the ever-popular underwater basket weaving.

FABulous is the word . . . for the way Running Bare . . . loved little White DOVE . . . They made a cute pair . . . He'd DIAL her number . . . on the phone ev'ry night . . . to PRAISE ALL her virtues . . . and his heart would take flight . . . After hanging up . . . the first thing he'd do was . . . to see her in person . . . like every "steady" DUZ . . . To the LUXury of her tepee . . . Running Bare would impatiently DASH . . . to spread JOY and CHEER . . . and love letters rehash . . . Their love was the mostest . . . which fact was quite cool . . . but to get to his love . . . R. B. had to ford John Paul Shark's pool . . . One night while climbing . . . the pool's steep, slipp'ry side . . . Running Bare was swept in . . . by the onrushing TIDE . . . The faithful Little White DOVE . . . plunged in after her mate . . . But both lovers drowned . . . the Senior Life Savers were too late . . . Now together they swim . . . in the Heavenly Moat . . . If only Little White DOVE had been Little IVORY . . . she would have been able to float.

TRAFFIC COUNT IN RETROSPECT

On Friday, May 13, hundreds of eager Shakerites took their posts and faithfully counted traffic at key intersections in Shaker. Counting the cars was not particularly hard, as most of them slowed down, thinking the students to be radar pickets. However, on heavily traveled Warrensville Center Road, counters Dick Simon, Joel Robbins, and Sue Salay counted over 2000 cars, sixty pedestrians, a yacht, and one red sleigh pulled by eight tiny reindeer. A Martian, whose space ship did not really touch the surface of the road, was not counted.

New Cheerleaders Start Planning Spirited Program for Next Year

By Louise Cort

"We've got the T-E-A-M that's on the B-E-A-M!" The familiar cheer sounds across the football field, but no answering roar comes from the crowd, because the stadium seats are empty. No players are scrimmaging on the field, and the scoreboard is blank.

The scene is a summer practice session of the 1960-61 cheerleading squad. While football is still far from the thoughts of most other Shakerites, the seven cheerleaders and four cheerboys will be meeting for two months during the summer to prepare for the fall sports season.

The group will have three members from this year plus eight new recruits from the present sophomore and junior classes. The two "veteran" cheerleaders, Barbara Abel and Betty Rees, will be co-captains and will have the responsibility of training the new members during the summer. Tom West will take charge of the new cheerboys. Plans for the boys in-

clude half-time shows involving gymnastics and trampoline stunts.

Selection of the additional squad members followed a series of informal classes held during May to teach the cheers. Chosen as cheerleaders were juniors Sharon Craig, Pat Connell, and Sue Markiewicz, and sophomores Pat Loyshin and Diane Neale. The new cheerboys are Bob Dery, Dick Piwonka, and Jim Myers.

Among their first duties will be sponsorship of the Football and pep rally in the fall.

Boukalik's Single Saves Heights Game; Team Adds Three More to Loss Column

By Dick Stanford

Coach Fred Heinlen's baseball squad avenged an early season loss to the Heights Tigers by taking a 5-4 extra-inning victory, but did little else as they added three more games to the losing column.

With two out in the ninth inning against Heights, Fishman came through with a clutch triple and scampered home on Boukalik's tie-breaking single. Boukalik's single broke up a tie that had lasted since the fifth inning when the Tigers tied it up at four all.

All the Raider runs but the last came in the fourth inning. The rally started with a one-out single by Bob Rawson. After Millican was hit by a wild pitch, Bo Schneider singled to load the bases. Ken Korach singled home Shaker's first two runs but was put out as he tried to stretch his hit to a double. With two out, Baden beat out a single, went to second on a passed ball, and came home behind Schneider on Rusk's double.

Roger Klein was the winning pitcher. Klein came in in relief in the ninth and tamed the Tigers with two strikeouts and a ground-out.

In an extra inning game at Shaw, May 16, the Raiders held the lead until the last of the seventh. Shaw's Fielitz tripled with two outs, though, and came home on a passed ball. The Cardinals clinched the game, 5-4, on an unearned run in the eighth inning. Against Parma's Redmen the

Raiders twice tied up the game, but the Redmen bounced back to take the game, 4-3. In this game, too, the Raiders were tripped on an error and a triple.

Losing their fifth game by one run this year, the Raiders went down to a 3-2 defeat against the Brush Arcs, mainly through the efforts of the Brush pitching ace Gustavson who hurled a five-hitter while giving up just three walks. Batting in the clean-up spot for the Arcs, he also scored their second run.

The Raider's last hope was erased when Fishman was picked off at second just before Baden's double which would have tied up the game. The one bright spot of the game came in the sixth inning when Steve Abrams scored Shaker's second run, Vic Power style, on a daring steal of home plate.

Shakermen Clutch; Miss State Title

Collapsing in the final round of play, the Shaker golf squad failed in its attempt to win a third straight state title.

Upper Arlington won the state crown with 650 strokes, followed by Kettering Fairmount and Alliance with 655 and Shaker with 656.

The Raiders led by two strokes at the end of the first eighteen holes after battling wind and rain which held up play for more than one hour. In the first round Marc Bonhard and Grant Kloppman led the team with 79's, followed by Earl Weiss 82 and Dick Leukart with 84.

In the first nine of the second round Bonhard went out in 40, Kloppman in 42, Weiss in 40, and Leukart in 43. At this point the squad was four strokes behind Fairmount and Upper Arlington who had posted exceptional first nine scores.

Both Fairmount and Upper Arlington faltered somewhat on the back nine, leaving Shaker with an opportunity to come back. But the Raiders were unable to score on the back nine as Kloppman, Weiss, and Leukart had 40's and Bonhard a 47. The final team total was Kloppman 79, 82-161; Weiss, 82, 80-162; Bonhard 79, 87-166; and Leukart 84, 83-167.

When asked what had happened to the team, coach Ed Stoch replied, "Nobody beat Shaker. We beat ourselves. The boys played their worst golf in all their years on the team."

With two scores in the 80's, Earl Weiss was out of contention to repeat as individual champion. Bob Carson of Whitehall Yearling stopped Jerry MacGee on the second hole of a sudden-death playoff to gain the medalist honors of the tournament. Carson had a second round two under par 70 which, with his first round 83, tied MacGee at 153.

Ricemen Cop L.E.L. Second as Johnson Sets Broad Jump Mark

A strong Red Raider track squad could salvage only the field events crown as Euclid's well-balanced team captured their third straight Lake Erie League track title at Shaker Heights Field on May 21.

The Panthers rolled up 68½ points by taking firsts in six events and scoring in every contest but the 220-yard dash. Shaker was a distant second with 48½ points. Lakewood had 34, Cleveland Heights 30, Parma 29, and Shaw 14.

Although the track was slow, two records were set, both by the Raiders. Joe Johnson set a new Shaker school record in the broad jump with a leap of 21'1½". Shaker sophomore Jim McGeorge was a close second in the broad jump with 21', and he seems destined to break the record in the near future. The Shaker 880-yard relay team of Johnson, McGeorge, Pete Schliwen, and Jim Morrison broke the track record with a time of 1:32.2.

Euclid took the first two places in both hurdle events and the discus throw. Bob Markley won the 120-yard high hurdles, Dennis Delsanter the 180-yard lows, and Bill Boldin the discus throw. The Panthers also took firsts in three other events. Sophomore Larry Whelan dethroned Lakewood's Dave McConoughey in the 880-yard run with a clocking of 2:02.3. Hal Manheim won the 440-yard dash, and the mile relay team, anchored by Manheim, was victorious.

Although McConoughey was defeated in the 880, he provided one of the highlights of the meet by

coming from behind in the mile and nipping Parma's Bill Russell by two strides in 4:39.8. Euclid's Dennis Delsanter and Jim Morrison of Shaker also turned in outstanding performances. Delsanter turned in seconds in the high hurdles and high jump and a first in the low hurdles, while Morrison captured seconds in the century and 220-yard dash and anchored the record-breaking 880-yard relay team.

At the East Side District Meet, Roger Aaron qualified for the state track meet in the discus and shot put but failed to win points at Columbus. The 880-relay team qualified but was eliminated.
